Dear Mr Siddle

## Proposed Works within Staithes Harbour

I refer to the above and to your email sent to Andrea McMillan earlier today.

I have reviewed the information submitted in your email to Andrea and can confirm that none of the works will impinge upon any statutorily listed structures.

From the information submitted the works all appear to be reasonable repair and maintenance and as such will not require planning permission in this instance.

I trust that this clarifies the position with regard to this matter. However, if you have any questions with regard to this project please do not hesitate in contacting me.

Yours sincerely
