Dear Jamie

**Case name: Staithes Harbour Asset Refurbishment Scheme**

**Location: Staithes, North Yorkshire**

Thank you for your consultation dated 4 April 2012 which we received on the same day.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

***Scheme advice to the Environment Agency: Staithes Harbour Asset Refurbishment Scheme from Scarborough Borough Council for implementation.***

Following the information received from the body above regarding this scheme, we write to confirm that it is Natural England's view that **it is likely to lead to an environmentally acceptable solution. However we note that there is an inconsistency in the document. Section 4 refers to option 3 (wall repair works) as the preferred option, whereas section 5 refers to option 2 as the preferred option. We have based our assessment on the information provided in Appendix A, the proposed works.**

This advice is offered based on the information provided to date. It is given without prejudice to any advice that Natural England may offer in accordance with its statutory role under the Conservation of Habitats and Species Regulations 2010 or assent that may be required under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000). Formal comment on the proposal will be provided following consultation on the Environmental
